

The globally operating HIRSCH Servo Group with more than 45 years of experience in the EPS and EPP industry is both, a market leader in processing with headquarters in Glanegg/Carinthia and 19 other manufacturing facilities in Central-, East- and South-East Europe (Germany, Hungary, Poland, Romania, Slovakia, Ukraine) as well as a supplier of technology for energy- and resource-efficient machinery for processing EPS and EPP into shaped-molded parts and insulation. As a stable employer, the HIRSCH Servo Group provides about 1200 jobs in the two business segments – EPS-Processing and Technology –, thereof about 230 in Carinthia/Austria.

To strengthen our team for HIRSCH Maschinenbau GmbH in Glanegg/Carinthia, as from now on we are looking for professionals.

## TECHNICIAN FOR MACHINE TOOLS ELECTRICIAN MECHATRONIC TECHNICIAN FIELD ENGINEER (m/f)

### Your perspectives

- A highly interesting assignment as long-term position with a performance-oriented remuneration
- Comprehensive product, professional and technical training
- Responsible and especially challenging tasks
- Targeted further training
- Positive and innovative working atmosphere
- Opportunities for development and advancement in one of the most innovative and dynamic enterprises of the industry
- Supportive and motivated team

If you want to co-create our further success, we look forward to your comprehensive application.

We are prepared to remunerate above the minimum wage of the collective agreement and offer an attractive remuneration for these positions, which considers your qualification and experience.
